

SPAM / PHISHING ALERT

PETRA Energy Bhd would like to caution you on the increase of phishing and spam attempts by fraudsters in the recent weeks. Please be vigilant and ignore any suspicious emails that you receive and check with your focal point at PETRA for clarification. If you have received such emails, we advise you to undertake the following steps to prevent any security breach.

- To verify suspicious email address not from '@penergy.com.my'
- The Company's official website is www.petraenergy.com.my, please be alerted on this
- To report any fraudulent email sender or domain address to peb.corporate@penergy.com.my or itsupport@penergy.com.my

For further information, enquiries or complaints, please contact our IT Department at 012-689 7526 (En. Azri Hashim).

Together we can stop cyber crimes. Please stay safe during this period.

Thank you.
