### **PETRA Energy Continues its Commitment to Support the Preservation of Sarawak Culture and Heritage Through 10 Years of Regatta Sponsorship**

**KUCHING, 3 OCTOBER 2023** - PETRA Energy Berhad announces its tenth consecutive year of sponsorship for the renowned Sarawak Regatta. This long-standing commitment reflects PETRA's dedication to supporting the preservation of culture and heritage in Sarawak while aligning with the Company's Environmental, Social, and Governance (ESG) and Corporate Social Responsibility (CSR) initiatives.

PETRA Energy has been involved in Sarawak Regatta since 2012. This partnership is a reflection of our dedication in supporting the preservation of culture and heritage in Sarawak. Each year, the event brings together not only the most talented peddler and enthusiasts but also fosters a sense of camaraderie amongst the community.

Through our continued sponsorship, we aim to showcase the #PETRACares commitment to Sarawak's cultural preservation and contribute to the conservation of its precious heritage. "We believe that supporting events like the Sarawak Regatta is a good way to ensure that the invaluable legacy of Sarawak's unique cultural heritage continues to thrive for generations to come", said Dato' Anthony Bujang, Group Chief Executive Officer, PETRA Energy Bhd.

PETRA Energy remains dedicated to supporting initiatives that enrich the cultural tapestry of Sarawak. We invite everyone to join us in celebrating the Sarawak Regatta 2023 and experience the beauty and richness of Sarawak's heritage.

Ends.

## **About Petra Energy Bhd**

Petra Energy began 35 years ago in Sarawak, Malaysia. Today the Group provides solutions for the oil and gas industry, specialising in the development and production of petroleum, operations and maintenance of oilfields, offshore facility construction & maintenance, marine offshore support, fabrication yard services and project management services.

In 2012, PETRA moved up the value chain to development & production via its participation in Kapal, Banang, Meranti RSC with strong safety and operational track record. Building on this accomplishment, in June 2020, PETRA elevated into a full-fledged operator role for the Banang oilfield, located offshore Terengganu, Malaysia.

PETRA was awarded the inaugural Petroleum Contract for block SK433, onshore Miri, Sarawak with Petroleum Sarawak Berhad (PETROS).

PETRA's core values are integrity, professionalism, commitment and teamwork with safety as a cornerstone of its operations. PETRA believes in embracing strong corporate governance, financial discipline, nurturing and cultivating the growth of people, preserving the environment, ensuring the development of the business ecosystem and communities where it operates and supporting the preservation of culture and heritage.
